

ADATH ISRAEL CONGREGATION BONE MARROW DONOR DRIVE

YOU MAY BE HIS **MIRACLE MATCH!**

Jonathan and others like him need your help.

Jonathan was diagnosed with Myelofibrosis and needs a bone marrow transplant to survive. Since tissue type is inherited, the best chance of finding a genetically matched donor for Jonathan, as well as hundreds of other patients lies with those of similar ethnicity. Gift of Life Bone Marrow Foundation, North America's Jewish donor registry, has been facilitating drives and providing donor and patient support for patients like Jonathan since 1991. For more information call 1-800-9-MARROW or visit www.giftoflife.org.

Event Information

GIVING HOPE, ONE FAMILY AT A TIME

It's easy to join the Gift of Life Registry!

- Eligible donors must be between the ages of 18-60 and in general good health.
- Registration involves a simple swab of cells from inside the cheeks (**No blood required at this stage**).
- Those previously tested do not need to be retested.

When: Sunday, April 26th
10:00 am to 5:00 pm

Where: Adath Israel Congregation
Alex Tobias Hall
37 Southbourne Avenue
Toronto, Ontario M3H 1A4

Tax-deductible Contributions: Gift of Life Bone Marrow Foundation | 800 Yamato Road, Suite 101 | Boca Raton, FL 33431

Gift of Life facilitates bone marrow, blood stem cell and cord blood transplants for children and adults suffering from life-threatening illnesses. Since tissue type is inherited, a patient's best chance of finding a genetic match lies with donors of similar ethnicity. Gift of Life strives to increase the representation of Jewish donors in the registry in order to overcome the devastating effects of the Holocaust, which severed bloodlines.
